Goals & Objectives:

Goal: To increase self-advocacy

Objective: By June 2005, given a class discussion, Anna will independently raise her hand to respond to a question/make a comment with no more two teacher prompts, as measured by a daily recording log.

Objective: By June 2005, Anna will independently ask for help when needed, as measured by teacher observation.

Goal: To increase oral communication

Objective: By June 2005, given an oral presentation, Anna will independently present her report aloud with 80% accuracy, as measured by the 10th grade speaking rubric.

Goal: To increase productivity of work completion

Objective: By June 2005, given a computer, Anna will independently utilize basic computer applications (Microsoft Word and Inspiration) on 4 out of 5 days of the week, as measured by a self-monitoring checklist.

So everyone (all classes and teachers) will make modifications in their class to help with these 3 goals
